Tom. You will be getting a meeting invitation request from my EA for a 1pm call today with Brenda Lucki. I know its short notice but hope you can join - if not please designate a n appropriate OPP representative. Thanks again for the extra officers from yesterday - I chatted with a group of them and have seen them visibly and effectively supporting our operations.

Peter, over and above the number of people we have supporting, checking in to ensure you are receiving the level of support and counsel you were hoping to receive from our POU, CIC and PLT command group that is contributing to your concepts of operations and planning process?

Peter, thanks for the opportunity to connect. Below is the contact info we discussed:

1) Insp Marcel Beaudin @ [REDACTED]. He is currently deployed in Ottawa to assist your command team. His expertise and experience in the role of PLT in managing a critical event is invaluable to our Major Critical Incident Commanders (MCIC). He can provide valuable insight to a PLT/negotiation strategy for your MCIC's consideration.

2) Chris Diana @ [REDACTED]. Chris is our expert legal counsel as it relates to the management of critical events. He is available to you at your discretion.

Please let me know if there is anything you need.

Peter, FYSA... Demonstrators have blocked the Ambassador Bridge with trucks and have lit campfires. Attempts by Windsor Police to tow vehicles have been met with physical resistance. We are assisting with Traffic, PLT, and coordinating available POU.

GM Peter. We are on ground with POU in Windsor and in the process of clearing a 4 km stretch. The first of three sections is secured and we are advancing to the second section.

Cornwall Bridge has been blocked by 50 demonstrators - counter demonstrators onscene. OPP enroute to assist Cornwall PS.
